Sub-Analysis Agreement

Depending upon logistics, methodology or availability, it may be necessary for the samples you submitted to be analyzed at a different laboratory. Should that contingency occur, the undersigned agrees to the following terms:

1. In the event that the EMSL Analytical, Inc. facility where the samples were initially received is unable to perform the testing specified on the COC, EMSL Analytical, Inc. will transfer the samples to a laboratory (EMSL or other) that is currently approved for the parameter being tested.
2. EMSL Analytical, Inc. will observe strict chain-of-custody procedures when sending and receiving samples.
3. The analyzing laboratory will follow accepted, certified methods for the analysis, and will report the results to EMSL Analytical, Inc. in writing, using accepted formats.
4. EMSL Analytical, Inc. will, insofar as possible, meet all promised turnaround times, however, we cannot be held responsible for delays due to trans-shipment or other problems outside of our control.
5. Customer agrees to these terms as a condition of submitting these samples to EMSL Analytical, Inc.
